

Some Bunny Loves You

song lyrics by Jesse Thom

Down in a place called Carpenter Glen
There is an odd little bunny den
The bunny rabbits there are kind and true
And they have a secret to share with you – they told me

(chorus)

Some bunny loves you
Some bunny loves you
Some bunny loves you
Down at Carpenter Glen

It might be Chester with the pink moustache
Or Jean with the jellybeans on her eyelashes
It might be Gerald on his flying toast
Or Gilfred Mackenzie that loves you the most, but...

(chorus repeats)

It could be Margaret pouring saxophone tea
Or Liza who sleeps inside a raspberry
It might be Stan in his banana canoe
Or Gwenadine who's wondering if you knew that...

(chorus repeats)
